| Estimate | \$ _____       | \$ _____                      | \$ _____ |

7. Indicate type of construction performed by applicant (must equal 100%):

|                       |       |   |                        |       |   |
|-----------------------|-------|---|------------------------|-------|---|
| Air/Heating           | _____ | % |                        |       |   |
| Blasting              | _____ | % | Metalworking           | _____ | % |
| Bridge Building       | _____ | % | Painting-Interior      | _____ | % |
| Carpentry-Finish      | _____ | % | Painting-Exterior      | _____ | % |
| Carpentry-Framing     | _____ | % | Paving                 | _____ | % |
| Concrete              | _____ | % | Plastering             | _____ | % |
| Drywall/Wallboard     | _____ | % | Plumbing               | _____ | % |
| Drilling              | _____ | % | Roofing                | _____ | % |
| Electrical            | _____ | % | Seismic Retrofitting   | _____ | % |
| Excavating/Grading    | _____ | % | Sewer                  | _____ | % |
| Fence Erection        | _____ | % | Sprinkler Installation | _____ | % |
| Flooring Installation | _____ | % | Steel-Ornamental       | _____ | % |
| Foundations           | _____ | % | Steel-Structural       | _____ | % |
| Gas Mains             | _____ | % | Street/Road            | _____ | % |
| Glazing               | _____ | % | Supervisory Only       | _____ | % |
| Insulation            | _____ | % | Tree Trimming          | _____ | % |
| Janitorial            | _____ | % | Water/Gas Mains        | _____ | % |
| Landscape Gardening   | _____ | % | Waterproofing          | _____ | % |
| Maintenance           | _____ | % | Welding                | _____ | % |
| Masonry               | _____ | % | Wrecking/Demolition    | _____ | % |
| Mechanical            | _____ | % | Other-Describe         | _____ | % |

8. Describe applicant's three largest projects currently underway, planned for the next year or completed over the past five years, including values:

| <u>YEAR COMPLETED</u> | <u>VALUE</u> | <u>DESCRIPTION</u> |
|-----------------------|--------------|--------------------|
|                       |              |                    |
|                       |              |                    |
|                       |              |                    |

9. Does the applicant currently do, or has the applicant ever done any of the following? If answer is yes, explain below.

|   | Yes   | No    |
|---|-------|-------|
| Apartment/Condo/Townhouse (new)                           | _____ | _____ |
| Tract housing (new)                                       | _____ | _____ |
| Single Family Dwellings (new)                             | _____ | _____ |
| Asbestos or lead abatement                                | _____ | _____ |
| Development of Property                                   | _____ | _____ |
| Demolition of structures                                  | _____ | _____ |
| Work above 4 stories in height                            | _____ | _____ |
| Work performed on hillsides, subsidence areas or landfill | _____ | _____ |
| Seismic retrofitting                                      | _____ | _____ |
| Environmental cleanup                                     | _____ | _____ |
| Dam or levee work   | _____ | _____ |
| Blasting  | _____ | _____ |
| Shoring or underpinning                                   | _____ | _____ |
| Pile Driving  | _____ | _____ |
| Caisson or Cofferdam Work                                 | _____ | _____ |

Explain all "yes" answers:

10. Does applicant ever hire subcontractors?
11. Do subcontractors sign a hold-harmless agreement in applicant's favor?
12. Does applicant utilize a standard contract with all subcontractors?
13. Are subcontractors required to carry general liability insurance? Limit?
14. Does applicant require certificates of insurance from subcontractors?
